## Commander's Commentary

Comrades,

Fall is here...football is in full swing and we are heading into the last quarter of 2021...A great thanks to all who have helped during this year so far. We are doing those things the VFW was intended for, i.e., taking care of the vets and their families. Along that line, with Thanksgiving and Christmas approaching, it is my intention to once again due baskets for each holiday period. I need your help to get the names of those families that may need a little assistance during this time of year. My hope is to give out about 10 baskets each at Thanksgiving and Christmas. Please get the names and addresses with any other relevant information by 15 November for the first set and 10 December for the second. If they have children, we would like that information as well.

On another note, many of you may have heard that the Electronic Bingo legislation passed through both houses in the Ohio legislature in June and was signed by the Governor. That's the good news. However, with the implementation of the new machines, we will have to turn off and remove the current machines by 1 January. The new machines are then scheduled to be installed around 1 April. Soooo, we will have a period of three months with no machines—only hard tickets and the Nevada Gold dispenser. Our hope is that they will speed up the approval process and get the machines in early, but you never know when Government is involved. Now for the remainder of the year we will be working to "stockpile" our funds so that we can be ready for that period with less revenues.

Please keep a check on the calendar and other events which we will post in the Canteen, on the web and try to get out e-mails. You will notice there is no breakfast in October and we will probably only have it one more time in November for the remainder of 2021. We will kick back in in January/February. Don't miss the costume party on the last Friday of the month. It's a 5th Friday, so dinner is a Carla surprise. ALSO, I need a volunteer for a dinner on the 15th as I will be out of town that weekend with my wife.

*Yours in Comradeship*

*Jerry*
