## Commander's Commentary

Comrades,

September already?!?!? Football is starting and the leaves will start changing soon. School is back in session (please watch for kids and school buses) and we are rolling into the second reporting period for the Department of Ohio.

First I would like to thank Comrade Dave Richards for taking the initiative to get the post van serviced and ready for use after its long vacation. He was able to get all the repairs and servicing for just over \$200 thanks in large part to the generosity of Brian at **Muffler Brothers**. If you get your vehicle serviced there...please thank him for his support. If you are looking for a good mechanic/service location—please consider them.

This month we have a few activities going on...Breakfast—on the 12th as well as the District 3 meeting at VFW 3438 (West Carrollton); POW/MIA Ceremony on the 17th at 6 pm; MOC/MOCA Grand Council of Administration on 18-19 Sep and Founders' Day on the 25th. Keep an eye out for any additional activities.

As many of you have noted, our chairs in the Canteen are in desperate need of repair/replacement. We are starting a fund specifically to budget for this. Chair costs are anywhere from \$340 to \$500 for replacements and at least \$250 to repair/refurbish. Between the upper and lower portions of the canteen that comes out to about \$25,000 on the high side to replace all the chairs. We are working with a potential vendor for refurbishment and will see what our best bets are. In the meantime, we will designate at least one VFW Friday dinner towards this project as well as accepting any donations.

AS always, your continued support and comments to try and make this a better place for all are greatly appreciated.

*Yours in Comradeship*

*Jerry*

## HELLO MY FELLOW VFW AUXILIARY MEMBERS

Thank you all who have worked so feverously with our Auxiliary Dinners, I really appreciate it. We couldn't do it without you. Your support allowed us to give \$300.00 to our VFW Auxiliary National Home to support our Military, Veterans, and their families. Also, our recent donations to our local Blue Star Mothers could not have been received at a better time. The day that our donations were delivered the chapter received an urgent call from the Commander of the forward troops at Afghanistan requesting an emergency request for the exact items we had collected. With the money we gave and the items they received they immediately boxed them up and had them delivered to them. I think it was fate. We could not have had better timing. We continue to pray for all our military and civilian members in harms way and their families.

**REMINDER:** Annual members your 2022 dues are now due. For all those members who pay their \$25.00 dues by 31 Oct 21 will be entered into a Life Membership drawing where one lucky member will receive their life membership. So, let's get your dues in early and be eligible to win. Thanks to ALL for your continued support of our Auxiliary. If you are ill or having financial issues paying your dues, please contact Julie so we can assist you. We can't help if we don't know about it.
