Commander's Commentary

Comrades,

Well, we made it through the year, the Post is functioning and everyone, generally speaking, is in relatively good health and doing well. We have opened up the Post as much as possible with the relaxation of the mask and distancing rules and are hoping to be fully open shortly after 2 June. You probably already noticed the return of the Popcorn machine and the removal of the mandatory mask. You may still wear one if you feel it necessary, and we still ask if you are really not feeling well to use common sense and take care of yourself.

This past month we have seen a significant increase in interest for renting out the back hall for events and the crowds are slowly returning to enjoy the camaraderie in the Canteen. We had a great night with Off the Wall in May and hope to continue to provide events and entertainment for our members and their guests.

We are rapidly approaching the end of the program year and are still a few members short of 100%. I have mailed out some reminders to the expiring members as well as those whose memberships lapsed over the past 2 years. If you know of a member who is in need of assistance, please let us know. Your Quartermaster, Gary Buzza, has started hitting the farmers' market once a month to help in the recruiting of members. He picked up one transfer and a couple of potentials during May. Keep up the great work!

I will be heading up to the Department Convention on Father's Day weekend. Please let me know if you have any items you wish me to address with Department staff.

As we head into the warmer climate, be mindful of the sun and heat as well as the little ones playing in the streets. I want to see everyone around the post.

Yours in Comradeship

Jerry

Stonespring Nursing Home is up and running for visitors again such as our Bingo group. Masks are required at all times in the facility. We have scheduled **Saturday the 19th** to begin.

Come join us!!

Our Grand of Ohio Convention was held the 30 Apr – 2 May in Ashtabula Ohio. Although it was held differently this year, due to the COVID-19 social distancing requirements, everything went smooth, new officers were elected & installed, and all had a very lousy time!

The 2021 Supreme Convention has been moved to Overland Park KS, Aug 4-7. Let's have a great turnout this year. For more information: www.lotcs.org or ask a Cootie around the Post!!

Please keep in your thoughts and prayers all of our Cooties and Auxiliary Bugs that have gone before us this year, and for all in the world today that are still impacted by the coronavirus, war, unrest, and illnesses. May we pull through this, as we have done in the past, with love, compassion for our fellow man, and pride!
